Reviews

This is the finest book i have got go through right up until now. I have got read and i also am confident that i am going to planning to read once again yet again in the future. You will not truly feel monotony at at any time of the time (that's what catalogs are for about if you check with me).

BRILLIANCE AUDIO, 2015. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Welcome to The Lunch Club, the venerable daytime talk show where backstabbing and bridge-burning are as common as cheating celebrity husbands and botched Botox -- and those are just the guests! To millions of viewers, watching this manufactured sisterhood is a daily ritual and a guilty pleasure. Led by the ruthlessly competent and icily perfect veteran diva of all things television, Maxine Robinson, all five of the female cohosts on their trademark red couch have a distinct part to play. And if power grabs, competition for airtime, and outsize ambitions make for a bumpy ride, well, that usually stays between them--and definitely behind the scenes. After all, when you've seen a woman in her Spanx, telling tales out of school is a definite no-no. Until. The morning's special guest, the fabulously beloved, successful rival talk-show host (and former colleague) Heather Hope, drops a bomb on live TV: The deceptively sweet Melissa Missy Adams -- a former couchmate who was ousted by Maxine in a blaze of infamy -- is back, and she's written a juicy tell-all! All the soft-focus camerawork in the world can't hide the cracks from that aftershock! In a stampede of Louboutins and Jimmy Choos, the women are in a race against time to get the scoop on which of their own particular demons are exposed before they're revealed to the world. Finding the what, when, and where of this nuclear blast of a book falls to the show's publicist, Lizette. She must dig up all the bones she can find, if only to safely rebury them once and for all. But when someone inside begins leaking spot-on dish to a gossip-hungry Internet website, the ladies realize that even...
